NOTE: The Koga Institute Inc. will no longer offer refunds for California P.O.S.T. reimbursed classes when the officer registered fails to attend, or an approved replacement isn't sent by your agency. Instead, we will provide a credit voucher, good for one (1) year after the date of the original class, to be used at your agency's discretion. Failing to show for P.O.S.T. reimbursed classes denies another officer the opportunity to attend, since California P.O.S.T. places limitations on class size for all reimbursed programs.
